

CRITERIA FOR HONORARY MEMBERSHIP

In terms of clause 4.2 of the Links Club's Constitution, the Management Committee may grant a maximum of 15 Honorary Memberships.

Such Honorary Membership may be for the candidate's lifetime or for such shorter period as the Links and Management Committees may determine.

The Honorary Membership may not be withdrawn or varied within the allocated timeframe unless this is the consequence of a disciplinary process.

Honorary Members shall be entitled to the courtesy of the Club facilities at all times.

Honorary Members' privileges shall, for the duration of their membership, be the same as those of Non-Owner Members.

In terms of Clause 7.1 of the Links Club's Constitution, Honorary Members shall not be liable for entrance fees, annual subscriptions or green fees.

In terms of Clause 15.3 of the Links Club's Constitution, Honorary Members shall be entitled to attend the Annual General Meeting of the Club.

The final decision to approve an Honorary Membership and the duration of such membership shall be at the sole discretion of the Management Committee.

To assist the Links and Management Committees in the approval of prospective Honorary Memberships, the following process and criteria have been formulated.

- 1) Those members who were Life Members of the former Atlantic Beach Golf Club pre 1 July 2020, resulting from their once-off financial contribution to the Club pre 1 July 2020, have been admitted as Honorary Members of the Link's Club for the remainder of their lifetimes.
- 2) The Atlantic Beach Links Committee will meet in May of each year to consider candidates to propose to the Management Committee.
- 3) The Management Committee will consider the nominations made by the Links Committee at the first meeting following the Links Committee's meeting in May. The reason for this, is to finalise the nominations in time for any twelve-monthly nominations to be effected from the start of the Links Club's subscription year which endures from 1 July to 30 June the following year.

- 4) The following criteria should act as a guide to the Links committee when considering candidates who have been nominated, ie those Homeowners, Members or eminent Persons
- who have imparted exceptional service to the Club and/or the community over an extended period, and/or
 - have achieved exceptional accomplishment as a representative of the Club or the community, and/or,
 - have imparted exceptional service to the game of golf or any other sports discipline and/or
 - are eligible by reason of their exceptional performance in the holding of public office to the benefit of the Atlantic Beach community, and/or
 - are regarded as role-models and have demonstrated an outlook and demeanour which reflects dedication to the values of the Club and/or
 - have shown extraordinary commitment and selfless service to the Club and/or the community.
